Re: FEC Letter Dated 10/27/98 - regarding July Quarterly Report (4/1/98-6/30/98)  
Bob Brady for Congress C00333740

Dear Ms. Kelly:

This letter is in response to your letter as referenced above (see attached copy of your letter). I shall answer each item in your letter in the itemized order in which you presented them.

1) The disbursement items that are being questioned on lines 7(a), 7(c) and 21 have been researched by us. The amount, per our calculation, in question is approximately \$2,500.40. This error arose due to an itemization threshold in our reporting software. This threshold will only print disbursements above a certain level determined to be operating expenditures. We are in the process of rectifying this occurrence from our software perspective. We will correspond with the FEC accordingly, in the very near future, to further clarify this for your records.

2) We have duly noted your item pertaining to overlapping report periods. We will comply accordingly with the FEC guidelines on this in the future.

Thank you for your cooperation regarding these matters and our responses to same.

Sincerely,

Michael G. Horsey, CPA  
Treasurer, Bob Brady for Congress
